Romantic Steampunk Collection

TCR · 34.5x49.5cm, printed on mulberry paper (rice paper) 25gr

TCE · 32x45cm, printed on Easy paper 60gr

Steampunk is a subgenre of science fiction that incorporates technology and Victorian aesthetic inspired by 19th-century industrial steam-powered machinery. One of steampunk's most significant contributions is the way in which it mixes digital media with traditional handmade art forms.

With this collection, we wanted to mix classic and romantic subjects like flowers and birds, with typical steampunk elements like gears, keys, and clocks.
