# URBAN JUNGLE Collection

TCR · 32x45cm, printed on mulberry paper (rice paper) 40gr

TCE · 32x45cm, printed on Easy paper 60gr

When raw materials, scruffy surfaces, and dark tones meet the lush and juicy greens of a jungle, we can refer to it as “Industrial or Urban Jungle”. This trendy style is defined by a good mix of natural materials, like wood and bricks, and botanical elements like tropical birds and exotic plants.

These lovely papers will stimulate your creativity and will make your creations unique.
