The Victorian collection is inspired in the Victorian style. In this era, découpage changed completely, changing its focus to present not only flowers, but giving importance also to women, children and countryside scenery.

This collection, gives a romantic and classic taste, that blends perfectly with the rest of the company's papers, adding a vintage and a historical touch to the catalogue. It was born from the creativity of our illustrators and from the private collection of Calambour's founder Silvia Mangano.
